

Volunteer Foster Parent Job Description

Major Objective

- To increase opportunities for more animals to be adopted by supporting suitable animals to reach the adoption criteria for their species

Responsibilities

- To feed, socialize, groom, train and medicate animals fostered in your home
- To ensure the safety of all foster animals under the foster parent's care
- To isolate foster pets from household pets (if necessary)
- To ensure that your own pets have current vaccinations
- To observe and report any problems to the Foster Coordinators
- To return all foster animals to the Whangarei SPCA when directed

Qualifications

- Background knowledge of animal care

Training Required

- Completion of primary screening for Foster Volunteer Program
- Completion of Foster Care Workshop Canine and/or Feline
- Property inspection by Whangarei SPCA representative (if required)

Time and Place

- You will foster animals in your home. Each foster care contract lasts from one week to three months, depending on the animal's situation and needs.
